- 2019 - 2020** **Merchandising Assistant, Sephora Korea Ltd.**, Seoul, Korea.
- Supervised product allocation for brick-and-mortar store openings
 - Managed communication with Sephora Southeast Asia regional headquarters (Singapore)
 - Communicated with global brands to manage exclusive product launch timelines
 - Developed data management guidelines for 9,000+ SKUs, enhancing sales analysis accuracy
- 2018 - 2019** **Buying Assistant, Samsung C&T Fashion Group**, Seoul, Korea
- Assisted season product assortment selection for global menswear brand SuitSupply, Managed product allocation and communication for brick-and-mortar stores
 - Provided English-Korean interpretation for SuitSchool (5-day staff training program instructed by SuitSupply regional manager) and press interviews with SuitSupply CEO (Fokke de Jong) for flagship store launch

HONORS, AWARDS, & SCHOLARSHIP FUNDING

Awarded: Conference

- 2026** **Best Poster Presentation Award**, International Conference of Clothing and Textiles, Korean Society of Clothing and Textiles. Rhee, H. & Zhao, L. *When Do Fashion Reviews Fool AI? Insights from Misclassification in Sentiment Analysis*.
- 2025** **Paper of Distinction - Consumer Behavior Track**, International Textile and Apparel Association Conference in St. Louis, MO. Rhee, H. & Zhao, L. *Revisiting Fashion Product Reviews: AI-Driven Analysis of the Pre-Purchase vs. Post-Purchase Divide*
- 2023** **Excellent Poster Presentation**, Korean Society of Fashion and Textile Industry Spring Conference, Keimyung University, Daegu, Korea.

2022 **Excellent Poster Presentation**, *Korean Society of Fashion and Textile Industry Fall Conference*, Ewha Womans University, Seoul, Korea,

Awarded: Scholarship/Fellowship

2026 - 2027 **Fisher Ames Rhymes Memorial Scholarship Fund**, College of Arts and Sciences. University of Missouri. (Total \$1,500)

2025 **Marjorie Joseph Fellowship (Outstanding Beginning Doctoral Student Award)**, International Textile and Apparel Association. (Total: \$1,000)

2025 - 2026 **Richard W. Brookshire and Jung Ha-Brookshire Endowed Graduate Award in Textile and Apparel Management**, University of Missouri (Total: \$1,000)

2024 - 2025 **Marion K. and Vernon W. Piper Distinguished Doctoral Fellowship**, University of Missouri (Total: \$7,000)

2024 **Hanyang University Scholarship for Study Abroad**, Hanyang University (Total: \$11,000)

2022 - 2024 **Brain Korea 21[BK21] Four Fellowship**, National Research Foundation Korea (Total ≈ \$6,500)

2022 - 2024 **Hanyang University RA Scholarship**, Hanyang University

2022 - 2024 **Hanyang University TA Scholarship**, Hanyang University

2022 - 2024 **Leadership Merit Based Scholarship**, Hanyang University

2022 - 2024 **Graduations Honors Merit-Based Scholarship**, Hanyang University (Total ≈ \$9,800)

Awarded: Awards/Honors/Recognition

2025-2026 **Graduate Leadership & Engagement Recognition Award**, University of Missouri Graduate School.

2024 **Graduate Professional Council (GPC) Conference Presentation Travel Award**, University of Missouri

2024 **Outstanding Researcher Award (Conference Presentation)**, Master's Student Level, Hanyang University

2022 **BK[Brain Korea] 21 Outstanding Graduate Student Award**, Hanyang University

2018 **Excellence Award**, Graduation Fashion Show, Dept. of Clothing and Textiles,

2016 **2nd Place Award**, Presentation of Academic English Contest, Hanyang University

RESEARCH

Research Interests:

- Fashion data analytics & computational social science; Natural language processing, large language models
- Technology innovation in the fashion industry; Hyper-personalization of AI tools and consumer decision-making

Peer Reviewed Research Publication:

1. **Rhee, H.**, Youn, S., & Lee, K.-H. (2026, *Preparing final manuscript, to be submitted in July 2026*). Uncertainty in Generative AI Regulations And Employee Creativity. *International Journal of Retail and Distribution Management*.
2. **Rhee, H.**, Zhao, Li. (2026, *Under 1st Review*). From Expectations to Experiences: Revisiting Sentiment Analysis Through Pre- and Post-Purchase Content in Fashion Product Reviews. *Journal of Fashion Marketing and Management*.

OTHER/SKILLS

- **Software:** Statistical analysis software (R, SPSS, SmartPLS) and computational analysis tools (Python)
- **Language:** Korean (Native), English (Full professional proficiency)

TEACHING EXPERIENCE

- Teaching interests include digital merchandising, data analytics, AI applications in fashion, and retail

- math, applying industry experience and quantitative research methods across U.S. and Korean contexts
- Experienced in independently teaching online-based large-enrollment undergraduate courses and coordinating applied, project-based learning for up to 200 students, as well as leading discussions and lecture sessions on advanced fashion data analytics and digital merchandising for senior level courses.

Independently Taught Courses at the University of Missouri (Graduate Instructor)

- 2026, Fall** TAM 4300 Fashion Brand Management and Promotion, Online, 3 credits (80 students)
Primary instructor on record (Supervisor: Dr. Li Zhao)
- 2026, Spring** TAM 2100 Introduction to Digital Presentation Techniques, Online, 3 credits (200 students)
Taught digital presentation software techniques for 200 undergraduate students
Coordinated online resume presentation as final project (Supervisor: Dr. Li Zhao)
- 2025, Spring** TAM 2100 Introduction to Digital Presentation Techniques, Online, 3 credits (180 students)
Taught digital presentation software techniques for 150 undergraduate students
Coordinated online resume presentation as final project (Supervisor: Dr. Caroline Kopot)
- 2024, Fall** TAM 2100 Introduction to Digital Presentation Techniques, Online, 3 credits (150 students)
Taught digital presentation software techniques for 150 undergraduate students
Coordinated online resume presentation as final project (Supervisor: Dr. Caroline Kopot)

Courses Assisted at the University of Missouri (Graduate Teaching Assistant)

- 2026 Spring** TAM 4600/7600 – Digital Merchandising
Led in-person lectures and in-class discussion activities for 3 sessions, final project presentation coordination, assignment grading
- 2026 Spring** TAM 4400/7400: The Retail Consumer: Advanced Data Analytics
Led in-person lectures for 4 sessions, including descriptive and inferential statistics, variable types, and significance testing in consumer survey research. Coordinated final project presentation, assignment grading
- 2025 Fall** TAM 4300/7300: Fashion Brand Management and Promotion
Assignment grading, Teaching assistant office hours
- 2025 Fall** TAM 1200 Apparel Retail and Merchandising
Assignment grading, Teaching assistant office hours, Led in-person lectures for two sessions
- 2024 Fall** TAM 3300: Retail Merchandising Analysis
Assignment grading, Teaching assistant office hours, Led in-person lectures for one session, Sales projection, Assisted students with seasonal OTB/Markup/Gross Margin Analysis through Microsoft Excel spreadsheets

Courses Assisted at Hanyang University (Graduate Teaching Assistant)

- 2023 – 2024** C-T4031 Data Mining Research in Fashion Consumption Culture (Capstone Design)
Advised 4th year undergraduate students on developing research questions and methods to analyze unstructured text data, provided online presentation of results via webpage development
- 2022 - 2023** GEN9176 Big Data Fashion Trend
Developed research questions with undergraduate students, and supervised data collection, preprocessing methods and results interpretation
Fostered an interdisciplinary research and critical thinking skills using data mining tools

Guest Lectures

- 2026** TAM 2400 Global Consumers, *K-Consumers: Navigating South Korean Consumer Behavior in a Global Context (April 21st, 2026)*, University of Missouri
- 2025** TAM 4000/7000, *AI Applications in Fashion Marketing: Data, Language, and Creativity (September 11th, 2025)*. University of Missouri.
- 2024** TAM 2400 Global Consumers, *K-Consumers: Navigating South Korean Consumer Behavior in*

a Global Context (November 14th, 2024), University of Missouri

- 2024** **TAM 3300 Retail & Merchandise Analysis, *Retail & Merchandising Strategy in the Health & Beauty Industry (November 7th, 2024)***, University of Missouri
- 2024** **TAM 4000/7000 *Present Online: Digital Marketing in the Fashion & Beauty Industry (September 10th, 2024)***, University of Missouri
- 2022** **C-T424 Fashion Marketing & Branding [C-T424]**, Hanyang University
 Guest lecture on omni-channel marketing strategy development for undergraduate students
 Proposed critical thinking strategies tailored to retailer characteristics

PROFESSIONAL DEVELOPMENT

Tableau Training, Data Science Executive Week, University of Missouri Institute of Data Science and Informatics, March 2026.

AI Foundations for Graduate Research Excellence Workshop, University of Missouri - March 2026.

Fundamentals of Natural Language Processing (Online Certificate), University of Colorado Boulder – February 2026.

An Introduction to Peer Review (Web of Science Academy Certificate), Web of Science – December 2025.

Undergraduate Student Resume Review, Textile and Apparel Management Career Fair, University of Missouri - October 2025.

2025 New York Experiential Study Tour, University of Missouri. - May, 2025.

Next-Gen Philosophical Foundations of AI Workshop, University of Missouri – Spring, 2025

First Year Scholars Program, University of Missouri. September 2024 – May, 2025.

Online Teaching Certification Seminar (OTCS), University of Missouri. August, 2024.

COMMITTEE SERVICES/LEADERSHIP

Graduate Professional Council Representative (Textile and Apparel Management), University of Missouri, 2025 – 2026.

Social Chair, GSA-TAM (Graduate Student Association of Textile and Apparel Management), University of Missouri, 2025-2026.

Conference Registration Desk Volunteer, International Textile and Apparel Association (ITAA) Annual Conference, 2025.

Editorial Assistant, *Fashion and Textiles*, December 2023 – April 2024

Student Assistant for Organization Committee, The Korean Society of Clothing and Textiles Spring Conference, May 2023

Graduate Student Representative, College of Human Ecology, November 2022 – August 2024

Committee Member, Dept. of Clothing and Textiles Homecoming Day Organization Committee, Hanyang University, December 2022 – January 2023

Committee Member, Graduation Fashion Show Organization Committee, Dept. of Clothing and Textiles, March 2018 – May 2018

Undergraduate Student Representative, Dept. of Clothing and Textiles, March 2018 – June 2018

Undergraduate Student Board, College of Human Ecology, March 2015 – February 2016

OTHER ACTIVITIES

Social Media Ambassador, Tamburins (Owned by Gentle Monster), October 2018 - November 2018

Community Service (30 hours), College of Human Ecology, June 2018

Team Leader, Hanyang University's Fashion Magazine HY-Genic,

Member, Hanyang University's Fashion Magazine HY-Genic, Hanyang University,

Member, College Dance Team, College of Human Ecology, March 2016 - May 2017

Member, College Band Club, College of Human Ecology, March 2015 - May 2017
